

IGE Press Release

July 19, 2013

IGE/Samsung Electronics Global Business Forum

“Chinese Economic Policymaking: A Foreigners' Perspective”

Speaker: Bob Davis

Senior Editor of Chinese Economy of the Wall Street Journal

Time and Date: 07:00-09:00, Friday, July 19, 2013

Venue: Maple Room, Plaza Hotel

Bob Davis will present an analytical view on Chinese economic policymaking from a foreigners' perspective and what impact this will have on its relationship with the US and global economy.

※ *Bob Davis was part of a team of the Wall Street Journal reporters that won the Pulitzer Prize for reporting of the Asian and Russian financial crisis. He was also awarded the Raymond Clapper Award for coverage of the White House negotiations with China over its accession to the WTO.*

The IGE/Samsung Electronics Global Business Forum will be attended by policymakers, business people, researchers and scholars, diplomats, and journalists.
