

IGE Press Release

January 19, 2015

<The 232nd IGE Distinguished Lecture Forum>

Speaker: Dr. Allen Sinai

Chief Economist & President, Decision Economics

Topic: “Will the Global Economy Normalize in 2015?”

Time and Date: 07:00-9:00, Tuesday, January 20, 2015

Venue: Orchid Room, 2nd Floor, The Westin Chosun Hotel

Sponsored by the Korea International Trade Association

The Institute for Global Economics will host Dr. Allen Sinai, Chief Economists and President of Decision Economics, a forecast institute in the U.S., to **present his prospect for the U.S. and the global economy in 2015 as to whether or not the US. And the global economy will normalize and be set for growth.**

Dr. Sinai will also give an **analysis of major risks to the global economy including oil prices, low inflation, and geopolitics as well as monetary and interest rate policies of major economies and their implications to the global economy and financial markets.**

The 232nd IGE Distinguished Lecture Forum will be attended by distinguished academics, researchers, policymakers, financial leaders and businessmen, diplomatic corps, and journalists.
