

IGE Press Release

October 11, 2015

<The 240th IGE Distinguished Lecture Forum>

Speaker: Mr. Matthias Machnig

State Secretary, Federal Ministry for Economic Affairs and Energy,
Germany

Topic: “Germany’s Industry 4.0: Harnessing the Potential of Digitization”

Time and Date: 07:00-08:15, Tuesday, October 13, 2015

Venue: Tulip Room, 2nd Fl, The Westin Chosun Hotel

In association with the Embassy of The Federal Republic of Germany

The Institute for Global Economics will host Mr. Matthias Machnig, state secretary (vice minister) for Germany’s Ministry of Economic Affairs and Energy, to its Distinguished Lecture Forum. Mr. Machnig will introduce the vision, goals and objectives of Germany’s ‘Industry 4.0’ and how it will be implemented. The forum will also discuss the implications for Korea.

The 240th IGE Distinguished Lecture Forum will be attended by distinguished academics, researchers, policymakers, financial leaders and businessmen, diplomatic corps, and journalists.
