

IGE Press Release

January 8, 2016

<The 246th IGE Distinguished Lecture Forum>

Speaker: Dr. Allen Sinai

Chairman, Decision Economics

Former Global Chief Economist, Lehman Brothers

Topic: “The U.S. and Global Prospects and Markets in 2016 – A Look Ahead”

Time and Date: 07:00-09:00, Tuesday, January 12, 2016

Venue: Orchid Room, 2nd Fl, Westin Chosun Seoul

Sponsored by Korea International Trade Association

The Institute for Global Economics will host Dr. Allen Sinai, Chairman at Decision Economics (Former Global Chief Economist at Lehman Brothers), to its Distinguished Lecture Forum. With extensive experience in financial markets and institutions, Dr. Allen Sinai will share his enlightening views on the 2016 global economic prospects including monetary policies, currencies, inflation, oil and commodity prices, etc. and the implications for Korea and the world.

The 246th IGE Distinguished Lecture Forum will be attended by distinguished academics, researchers, policymakers, financial leaders and businessmen, diplomatic corps, and journalists.
