# The Fourth Industrial Revolution and the Future of the Korean Economy

Date

09:00-16:00, Friday October 28, 2016

Location

Grand Ballroom, F1
Westin Chosun Hotel Seoul

Co-organized by

### Invitation

The Institute for Global Economics, together with University of California Berkeley Roundtable on the International Economy and McKinsey & Company, invite you to an international conference on "The Fourth Industrial Revolution and the Future of the Korean Economy."

Globally renowned scholars, business leaders, and policy consultants will discuss major characteristics and policy and strategic implications of the rapidly progressing "Fourth Industrial Revolution."

We hope you will be able to join us for this most timely and highly promising international event.

### **II SAKONG**
