Invitation

The Institute for Global Economics, together with Busan Metropolitan City and BNK Financial Group, would like to invite you to an international conference on “The Future of Digital Finance and Fintech Industry: Towards Busan FinTech Hub.”

The conference is co-organized by the World Bank Group’s International Finance Corporation (IFC) and the Institute for International Finance (IIF). This international event is also supported by the Financial Services Commission (FSC) and the Financial Supervisory Service (FSS).

Internationally renowned scholars, business leaders, and senior policy makers will discuss recent and prospective developments in financial services. Speakers will also discuss policy and regulatory issues in the face of rapid advancement of digital finance. The conference is intended to draw strategic implications for the development of Busan Financial Center.

We hope you will be able to join us for this very timely international event.
