

IGE - POSCO Group International Conference

2022 ESG Global Summit: Embracing Sustainable Growth in the New Age of Industrial Transformation

Date June 17th, 2022

Location Grand Intercontinental Parnas Hotel,
Seoul, Korea

Invitation

The world now stands at a pivotal moment in modern history as we confront devastating headwinds from geopolitical tensions and economic challenges. With the ramifications of the pandemic driving fundamental shifts in the corporate management paradigm, sustainable growth has emerged as the most important strategic goal. While the legacy of COVID-19 is accelerating transformation towards new industrial ecosystems and a global green revolution, the ESG-focused strategies and stakeholder-centric approaches are no longer a trend but an imperative if we are to achieve sustainable performance at both corporate and national levels.

Against this backdrop, the Conference is intended to explore a broad range of interrelated issues pertaining to the post pandemic new normal, which includes: (i) reshaping of the international order and global economic landscape: emerging new cold war and its policy implications; (ii) advancing ESG as central corporate strategy: pragmatic issues and best practices for ESG investing and management; (iii) the advent of the new international trade regime: how best to cope with the multidimensional climate change initiatives; (iv) the industrial growth strategy in the age of carbon neutrality: innovative green technologies, eco-friendly energy policies and the role of finance.

The Conference, organized jointly with POSCO Group, is set for June 17th, 2022 at Grand Intercontinental Parnas Hotel Seoul. As the attached program shows, key speakers include global leaders and senior government officials in Korea. International experts from academia, international organizations and investment business enterprises are also scheduled to join the Conference as speakers or panelists (with some overseas participation via online/video).

We hope you will be able to join us at the Conference.

Thank you.
