Korean

The IGE (Chairman: Jun Kwang-woo) cordially invites you to a special Webinar Forum with Dr. Gi-Wook Shin, Director of the Shorenstein Asia-Pacific Research Center and Professor of Stanford University. Dr. Shin will discuss the major global geopolitical issues and the challenges that lie ahead in 2024. Specifically, he will address key issues surrounding the upcoming U.S. presidential election and provide insights into their implications for Korean politics and the economy. Please join us for this timely event.
