

## [IGE WEBINAR]

# Global Geoeconomic Shifts and Korea's Future Strategy

<b>Speaker</b>	<b>Dr. Gi-Wook Shin</b> – William J. Perry Professor of Contemporary Korea, Department of Sociology, Stanford Univ.
<b>Date &amp; Time</b>	<b>15:00 – 16:00, Tuesday, June 23, 2026</b>
<b>Language</b>	Korean
<b>Register by</b>	6:00 PM, Monday, June 22, 2026 (Zoom Link)

The IGE cordially invites you to a webinar forum featuring Dr. Shin, William J. Perry Professor of Contemporary Korea at Stanford Univ. and a leading expert on Northeast Asia. In this webinar, he will explore global geopolitical developments, including the U.S.-Iran conflict, and the evolving geoeconomic landscape of Northeast Asia, with a focus on the implications for South Korea. Particular attention will be given to U.S.-China relations, the Taiwan issue, economic security, supply chain realignment, and other key regional issues. Please join us for this timely discussion.
